Kappa League

WHAT'S NEW IN KL???

A Note From the President

Leaguers, We have been blessed with the opportunity of a lifetime and intend on giving many other young men throughout the community the same opportunity. We are an elite organization that will not rest until all of our work is done and we know that being a member of this organization, there is always work to be done. We as a whole have come to the realization that there is always room for improvement and therefore strive to do our best at all cost. The SML Kappa League is not just an organization, but a business that takes commitment and dedication to ensure its future. We yearn for the opportunity to prove ourselves not only to Kappa Alpha Psi Fraternity, Inc but also to the society that views us as gentlemen and leaders. We have a discrete and positive reputation that we intend on keeping for the sake of our sponsors and ourselves. We are leaders, Born to lead striving to reach our Destiny. It's time to step it up and get our grades and priorities where they should be!

Spring Break Kollege Tour Florida State & F.A.M.U

Spring Break on the beach !!

Sounds nice, so nice that the SML Kappa Leaguers couldn't resist. We spent Monday Tuesday & Wednesday (April 5-7) on the campuses of Florida state and F.A.M U as well as driving to Panama City to spend a day on the beach. The leaguers received a lot of advice from last years President, Vice president, and one of SML's best leaguers. (Aaron Abram & Sean Young (Florida State) & Mario Banks) Thanks Dr. Booker for another trip we won't soon forget.

Kappa leaguer Taylor Keels took an adventure that only 10% of African Americans get to take. That was traveling out of the country. Mr. Keels was fortunate enough to travel to Europe with a Traveling Klub from his school. Visiting France, & Spain spending his birthday in Barcelona.

Congratulations Taylor!!
You uphold the Kappa League name very well!!
